

Welcome Curlers!

Whether this is your first time or your eleventh time participating in the Pond Spiel, we welcome you and are excited that you have chosen our event this year. We look forward to an exciting day filled with fun, laughter, and memorable moments.

Each year dozens of volunteers, supporting partners and sponsors work together to make this day happen. This event wouldn't happen without them so please take a moment to peruse our sponsor lists, thank a volunteer for their time and effort and support our local sponsors when you can.

Our local community supports our efforts and The Orangeville Curling Club supports our community in return. Profits from today's event will be used to support junior, school and enabled curling leagues as well as making a donation to the local Orangeville Food Bank.

Mother Nature also plays a role in our day. We are hoping for a great day out on the pond, but please be prepared for whatever comes our way.

If there is anything that you need help with, please let us know and we will do our best to assist you.

We look forward to seeing you 'on the pond' and hope that your experience will be so memorable you will be glad to tell others:

I came...I saw...I curled...
in the 11th Annual Great Canadian Pond Spiel!

Good Curling,

Pond Spiel Committee
